

COMMUNITY LEADERSHIP GROUP (CLG)

The Community Leadership Group will:

- Build upon existing community support
- Gain threshold support
- Endorse and recognise
- Established now for effectiveness
- Aspirational and pragmatic

THEMES

Transitional – assisting the community in the transition including impacts of local traffic, overshadowing, resumptions, construction impacts (noise, dust, vibrations, access).

City Centre Aspirational – assisting the growth and transition to a sustainable community including affordable living, green infrastructure, community title, healthy population, social capital.

ACTORS

Unlock the capabilities and resources of:

- existing community advocates,
- communities of interest ,
- adaptive leaders in the public and private sector
- NGO's and others (Arts, Housing, Transport, etc , PATREC, CUSP, AHURI, UDIA, WACOSS)

THE PROCESS – to travel along the maturity continuum to ensure a true PPCP.
